Short Introduction

Public Health Specialist, Occupational and Environmental Health Expert, and Researcher with more than 25 years of experience in public health research, climate change and health, maternal and child health, nutrition, environmental health, occupational health and safety, health systems assessment, and policy research in Bangladesh.

Served as Team Leader, Principal Investigator, and National Consultant for WHO, World Bank, ADB, UNDP, ILO, UNICEF, GIZ, JICA, DANIDA, and Government agencies. Extensive experience in mixed-methods research, survey design, qualitative studies, health impact assessments, monitoring and evaluation, policy analysis, and stakeholder engagement.

Supervised more than 200 postgraduate research dissertations and published over 120 peer-reviewed scientific papers. Strong expertise in conducting research among vulnerable populations, urban communities, women, children, and climate-vulnerable groups.

Personal Information:

Mother's Name:	Late Hosne Ara Begum
Father's Name:	Late Ali Akbar
Date of Birth:	19 November 1961
Postal and permanent address:	2H/5, Ring Road, Golden Street, Shaymoli, Dhaka-1207
TIN Number:	615442904227
Passport Number:	A 03572084

Academic Background:

Degree	University	Field	Year
MBBS	Rajshahi University		1986
MPH	Dhaka University	Occupational & Environmental Health	1997

Experience:

(a) Research Experience:	25 years
(b) Teaching:	20
(c) Administration:	25 Years

ORCHID ID:
https://orcid.org/0000-0002-5708-4431
ResearchGate
Research Interest Score: 1599
Citations: 1900
h-index 15

Work Experience

Position	Institute	Period	Duration
Professor	Department of Occupational and Environmental Health, Bangladesh University of Health Sciences (BUHS)	From October 2023 to Till Date	
Associate Professor	Department of Occupational and Environmental Health, Bangladesh University of Health Sciences (BUHS)	From July 2017 to September 2023	6 years and 2 months
Assistant Professor	Department of Occupational and Environmental Health, Bangladesh University of Health Sciences (BUHS)	From July 2013 to June 2017	4 years
Assistant Professor	Department of Public Health, State University of Bangladesh	From November 2010 to June 2013	2 years and 9 months
Senior Lecturer	Department of Public Health, State University of Bangladesh	From January 2010 to November 2010	11 months
Assistant Professor	Community Medicine, Jalalabad Ragib-Rabeya Medical College, Sylhet	From November 1999 to February 2001	1 year 3 months
Senior Lecturer	Community Medicine, Feni Medical College, Feni	**From** April 1998 t**o** October 1999	1 year and 6 months
Senior Occupational Safety and Health Specialist	Padma Multipurpose Bridge Construction Project, Bangladesh Bridge Authority (BBA)	From March 2015 to October 2021	6 years and 7 months
National Consultant (Occupational Health & Safety)	UNDP	From July 2007 to December 2007	6 months
Hospital Waste Management Specialist	Asian Development Bank	From May 2008 to November 2008	7 months
Acting Country Representative	Asia Arsenic Network, Bangladesh	From January 2005 to March 2005	3 months
Deputy Country Representative	Asia Arsenic Network, Bangladesh	From March 2000 to December 2004	4 years 3 months
Medical Officer	Bangladesh Gas Fields Company Ltd (A Company of PETRO BANGLA)	From September 1988 to September 1997	9 years

Membership of Professional Societies:

- Life Member, **Bangladesh Medical Association**
- Life Member, **Bangladesh Private Medical Practitioners Association**
- Life Member, **Bangladesh Poribesh Andolon (BAPA)**'
- Vice-President, Central Executive Committee**, Doctors for Health and Environment.**
- Ex-Assistant Executive Editor, **BMA Journal**
- Ex member, Central Council, **Bangladesh Medical Association (BMA)**.

Contribution in Research and Consultancy Services

1. Bangladesh Social Compliance Audit Practices, Funded by Ministry of Foreign Affairs of Denmark, in collaboration with the Department of Engineering and Innovation Technology of University of Southern Denmark
2. "Development of Health Care Worker's Protection Action Plan based on **COVID-19** lesson learnt in Bangladesh" of Ministry of Health and Family Welfare, Government of the People's Republic of Bangladesh, with technical assistance of World Health Organization, Bangladesh
3. Development of sector development program on Hospital Waste Management for urban Public and Environmental Health Program funded by Asian Development Bank
4. "Training Needs Assessment of officers and staff of Municipalities and City Corporations for effective primary health care delivery services" conducted by "Responsive to Integrated Development Services (RIDS)", supported by "Strengthening of Urban Local Bodies (ULBs)" under "Urban Primary Health Care Service Delivery Project-II (UPHCSDP II)", Local Government Division, Ministry of Local Government, Rural Development and Cooperatives
5. Assessment of RMG workers' knowledge on current compensation mechanism and the specifics of Employment Injury Insurance (before and after awareness training), conducted by Department of Occupational and Environmental Health, Bangladesh University of Health Sciences, organized by Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) & Laudes Foundation.
6. Evaluation of Whole School Approach (WSA) Unite for Body Rights (UBR) Program (alliance partners comprising BAPSA, BNPS, DSK, FPAB, PSTC, RHSTEP, Naripokkho and BANDHU that working for Sexual and Reproductive Health & Rights (SRHR) Program) as Team Leader in March-May, 2000
7. Health Impact Assessment (HIA) for Rupsha 800-Megawatt Combined Cycle Power Plant, Khulna, Bangladesh, North-West Power Generation Company Ltd., financed by Asian Development Bank as Team Leader in September, 2019 funded by Asian Development Bank
8. Assessing the Impact of User Fees on UPHC–Reviewing Health Voucher and User Fees Exemptions (Package No. S15 & 16), Second Urban Primary Health Care Project, Ministry Of Local Government, Rural Development & Cooperatives (MOLGRD&C), Local government division
9. Development of "Toolkits for Safe Work for Young Workers and Workplace Improvement for Employers", funded by ILO-Urban Informal Economy (UIE) Project
10. Development of Monitoring System on Compliance Issues in RMG sector for Ministry of Commerce of Bangladesh Government as National Consultant (Occupational Health & Safety), Compliance Monitoring Cell, EPB, funded by UNDP
11. Evaluation of Arsenic Mitigation & Climate Change Adaptation Program (AMCCAP) of KOINONIA
12. Mid Term Evaluation of Arsenic Mitigation Program conducting by HEED Bangladesh,
13. Evaluation of Bangladesh Arsenic Mitigation Water Supply Project (BAMWSP),Mitigation and Beneficiary Assessment, funded by World Bank,
14. Evaluation of Building Community Based Arsenic Mitigation Response Capacity in Muradnagar, Serajdikhan and Bhanga Upazilas of Bangladesh, funded by WHO-UNF/UNFIP-UNICEF,
15. Mid-term evaluation and baseline study: World Vision Programs in Potenga, Assashuni, Kalmakanda, Morelganj, Satkhira sadar, Birampur, Panch Bibi, Moksudpur,
16. Service Availability Mapping in Four Districts to Assess Adequacy of Maternal and Neonatal Health Infrastructure and Staffing Including Training Needs, conducted by ACPR, funded by UNICEF.
17. Study on 'Social Aspect of Access to Health Care for Arsenicosis Patients', conducted by NIPSOM, DGHS and APSU, funded by DFID.
18. Situation analysis on community status on Arsenic Contamination in Ground Water, development of communication materials, Training modules, Training for Community and Local government institutes, as Social Survey Advisor, Study for Ground Water development for Safe Water Supply to Arsenic Affected Areas of Bangladesh, Funded by JICA
19. Situation Analysis of occupational health in the industrial sector in Bangladesh, conducted by German Technical Co-operation (GTZ), NIPORT Project, Dhaka.

Contribution in curriculum/training module development:

1. Curriculum of MPH in Occupational Health Safety, MPH in Environmental Health Safety, BPH in Occupational Health Safety, BPH in Environmental Health Safety for Bangladesh University of Health Sciences (UGC approved)
2. Training Module on Environmental Health for Nurses and Paramedics. Published by Director General of Health Services, Government of Bangladesh, Dhaka, 2019.
3. Training Module on Occupational Health for Nurses and Paramedics. Published by Director General of Health Services, Government of Bangladesh, Dhaka, 2019.
4. Manual on "Health Impact assessment of air Pollution" for Regional Center for Health Impact Assessment.
5. Training Module on "Occupational Health and Safety Awareness Training" Published by Directorate General Health Services, Bangladesh.
6. Development of "Toolkits for Safe Work for Young Workers and Workplace Improvement for Employers" for ILO-Urban Informal Economy (UIE) Project
7. Arsenic in Drinking Water, Health Effects and Management: A Training Manual. Published by Department of Occupational and Environmental Health, NIPSOM, Dhaka, June 1997.
8. Translated the training module on Hospital Waste Management for WHO
9. Training module on Healthy Food Market for vendors, market committees and Sanitary Inspectors for WHO
10. Training module on Nutrition, Health and Hygiene Promotion for rural people for RFLDC Project of Danida
11. Training module on Hygiene Promotion for rural people for HYSAWA Project of Danida
12. Arsenic in Drinking Water, Health Effects and Management: A Training Manual. Published by Department of Occupational and Environmental Health, NIPSOM, Dhaka, June 1997
13. BCC materials (Poster/stickers etc.) on Occupational Health & Safety for Garments Workers for UNDP, Export Promotion Bureau, BGMEA, BKMEA..
14. Training Module and BCC materials (Poster/ Flip Chart) on Occupational Health and Safety Published by Directorate General Health Services, Bangladesh.
15. BCC materials (Flip Chart, Poster etc.) on Arsenic problem, Mitigation and Management with nutrition in Bangladesh for and Asia Arsenic Network.
16. Development of training module for solid waste handlers of DCC solid waste management center.
17. Training manual, BCC materials (Flip Chart, Poster etc.) on Arsenic problem, Mitigation and Management with nutrition in Bangladesh for CARE Bangladesh, HEED Bangladesh and JICA Study Team.
18. Training on 'Ecological Water Treatment Plant' for engineers of Green Hill supported by WaterAid Bangladesh.

Attachment with Journals

- ✓ **Member, Editorial Board, Bangladesh Journal of Health and Allied Science**
- ✓ **Member, Editorial Board, Journal of Medical and Biological Science Research, ISSN: 2449-1810,**
- ✓ **Member, Editorial Board, International Public Health Forum, Cairo University, Egypt, http://www.researchpub.org/journal/iphf/iphf.html**

Member, Editorial Board, State University of Bangladesh Journal of Public Health,
