

Professor (Dr.) Sk. Akhtar Ahmad

Professor of Occupational and Environmental Health
Bangladesh University of Health Sciences (BUHS)
125/1 Darus Salam, Mirpur, Dhaka- 1216, Bangladesh
099Tel: (88 02) 8035502-1425 (Off), 8829122 (Res),
Cell Phone (0088) 01552465730
E-mail: anon@bdcom.com

Objective

To contribute best effort with professional expertise and to share experiences in academic, research and consultancy services related to environmental health, occupational health and other public health issues.

Present Job

Treasurer, Bangladesh University of Health Sciences (BUHS) and
Professor of Occupational and Environmental Health

Ex-Director NIPSOM, Mohakhali, Dhaka-1212

Teaching under-graduate and post-graduate students of different public health programmes

Academic / Professional Interest and Expertise

- Environmental Health
  - Water pollution (especially arsenic contamination)
  - Climate Change
  - Air Pollution
  - Noise pollution
  - Waste disposal
  - Indoor pollution
- Occupational Health
  - Hazard Assessment in Work Environment
  - Worker's Health
  - Occupational Diseases
  - Occupational Injury
  - Industrial effluent
  - Agricultural workers
- Community Health
  - Tobacco use
  - Health of School Children

Education

MBBS, Rajshahi Medical College, 1976
DPH, NIPSOM, Dhaka University, 1980
MPH, University of Malaya, Malaysia, 1984
Certificate in Environmental Science, AIT, Thailand, 2000

Highlights of Professional Experience and Accomplishments

a. **Teaching**
   i. Have been teaching **undergraduate (Bachelor of PH) and postgraduate** (MPH and M Phil) students on Environmental and Occupational Health subjects **more than 40 years** in different medical and public health institutes.
   ii. Conducted MPH and MPhil Courses under Dhaka University and BSMMU as **Course Chairman**
   iii. Programme Coordinator of MPH and MPhil programmes under BSMMU

b. **Supervisor / Guide of Thesis/Examiner** (not conclusive)
   i. Thesis of **PhD and M Phil** students – 15
   ii. Thesis/Dissertations of MPH students – 70
   iii. Examiner of **MPH, M.Phil and PhD students** of Dhaka, Rajshahi, and other Universities of Bangladesh

c. Reviewer: many journal articles, reports, thesis etc.

d. **Program Manager:** Environmental and Occupational Health Programme, WHO 2008 and 2009

e. **Resource persons / Facilitator/ Trainer**

h. Job Experience (Academic)

Name of Job	Place of Posting	Year	Time Period
1. Medical Officer	Atrai THC	Frb,1978-Aug,1979	1½ year
2. Junior Lecturer	MATS Bogra	Jul,1980-Jun,1988	8 years
3. Assistant Professor, Com Med	DMC	Jun1989- Nov,1989	6 months
4. Asstt Professor, Occu & Env Health	NIPSOM	Nov,1989-May,1996	6½ year
5. Assoc Professor, Occu & Env Health	NIPSOM	May,1996-Apr,2004	8 years
6. Professor, Occu & Env Health	NIPSOM	April,2004-Apr,2010	6 years
7. Professor, Occu & Env Health	BIHS and BUHS	April,2011-till date	11 years

Job Experience (Administrative)

Name of Job	Place of Posting	Year	Time Period
1. Deputy Civil Surgeon and In-charge Civil Surgeon	Bogra	Jul,1988- May, 1989	1 Year
2. Head, Department of Occupational and Environmental Health, NIPSOM	NIPSOM, Dhaka	April,2004-Sep,2009	6 years
3. Director, NIPSOM	NIPSOM	Sep,2009- April,2010	7 months
4. Treasurer,	Bangladesh University of Health Sciences	July,2013- till date	More than 8 years

f. Developmental/Innovative Activities

i. Involved in the development of National and Regional Protocol on **Arsenicosis**
ii. Involved in **Arsenicosis Case Definition and Management Protocol** for Regional Countries, organized by WHO, SEARO
iii. Developed **Arsenic Field Test Kit**, a test kit for detecting arsenic in water which is now being widely used in Bangladesh by national and international agencies.
iv. Formulated a **Chemical Powder** to remove arsenic in contaminated water
v. Identified **index case of arsenicosis** in Bangladesh
vi. **Initiated Vitamin A, E & C regimen** for the management of Arsenicosis patients.

g. Research Activities

i. Conducted a number **research works since last 20 years** on **Environmental Health** issues (particularly on **Arsenic Contamination**), **Occupational health** and C**ommunity Health** under funding of **DGHS**, **BMRC, AusAid, WHO, UNICEF, UNEP, DFID, ILO etc.**
ii. Conducted **collaborative researches** with national and international organizations such as **BSMMU, ICDDR'B, DOE, Asia Arsenic Network, Miyazaki University, Tokyo University, CDC Columbia, Murdock University, University of Britsh Columbia, ENPHO Nepal etc**. in the field of **Environmental Health, Occupational Health** and other **Public Health** issues**.**
iii. Conducted researches on environmental issues particularly on arsenic contamination in Nawalparasi, **Nepal**, Bahraich, **Uttar Prodesh**, **India**

i. Noteworthy Accomplishments

i. A special feature on **Arsenic Field Test Kit** developed by me was reported by **Fred Pearce** in the **Science and Technology Section** of **'The Guardian'** a **British Newspaper** on 26th Feb 1998
ii. Out of 13 studies on Arsenic issue throughout the world, my **three studies** were selected to utilize their findings for development of **Proposition 65 MADLs for Arsenic** to use in **The California Code of Regulations** (**Title 22, California Code of Regulations, Sections 12801 and 12803 [22 CCR12801 and 12803]**).

k. Presentations in Conferences, Seminars, Workshops (Last 10 years):

1) International Forum on **Environmental Pollution and Health Effects: What are the Lessons from 50 Years of Minamata Disease** held at Kumamoto Gakuen University, **Kumamoto, Japan** from 8th to 12th Sep 2006 by **inamata International Forum,** Sponsored by **Con Organizing Committee**
2) Seminar on **Arsenic Disease** organized by **Civil & Environmental Engineering and Dermatology Department of University of Miyazaki, Japan** from 19 to 22 February 2007, organized by **Miyazaki University**, Japan
3) **Faculty Exchange Visits** on **Occupational Health** at Faculty of Public Health, **Mahidol University, Bangkok**, Thailand, from 2nd to 15th July 2007, sponsored by **WHO**.
4) Conference on **Male Declaration on Control and Prevention of Air Pollution and its Transboundary Effects for South Asia** at Colombo, Sri Lanka, from 19th Aug to 21st August 2008 organized by **UNEP**
5) Training of Physicians and Health personnel on Arsenicosis and Seminar on **Medical Examination of Arsenicosis** at **Bahraich**, **UP State**, **India** from 26th to 29th November 2008, organized by **JICA, Miyazaki University, Japan and Eco-Friends,** Kanpur**,** India
6) Conference on Male Declaration on Control and Prevention of Air Pollution and its Transboundary Effects for South Asia at Colombo, Sri Lanka, 19th August to 21st August 2008 organized by UNEP
7) Workshop on **Human Resource Development** from 15th June to 19th June 2009 organized at Bangalore, India, by **The Union, India** and **Bloomberg Initiative to Reduce Tobacco**.
8) Training of Physicians and Health personnel on Arsenicosis Patients and Management at **Bahraich**, **UP State**, **India** from 20th June,2009 to 24th June 2009, organized by **JICA, Miyazaki University, Japan and Eco-Friends,** Kanpur**,** India
9) Regional Meeting on **Teaching of Public Health in Medical Schools,** Bangkok, Thailand from 8th December to 10th December, 2009 organized by **WHO**
10) Resource Person in the **Workshop on 'Air Pollution Health Impact Study and consultation on black carbon' Under Control and Prevention of Air Pollution and its Likely Transboundary Effects for South Asia Programme orgainsed at Katmandu Nepal** by **UNEP** and **Male Deceleration** from 23rd March to 28th March 2011
11) Resource Person of the **Training Workshops 'Capacity Building for Arsenic Mitigation (CBAM)**' **Nawal Parasi, Nepal,** From- 18th to 28th August, 2011 Funded by- **JICA,** Implementing by- **Kyushu University, Japan** and **ENPHO, Nepal**
12) International Seminar on **'Short lived Climate Forcers in South Asia – Impacts and Action'** 17th and 18th October, 2011 at Ruposhi Bangla Hotel Jointly organized by **the Ministry of Environment & Forests of Bangladesh, Ministry of Environment of Sweden & Stockholm Env Institute** (SEI)
13) Regional Training Workshop '**Health Impact Assessment due to Air Pollution'** NIPSOM, Dhaka, 9th to11th Jan, 2012, Organized by- Dept of Environment, Funded by **Male Declaration & UNEP**
14) Resource Person of the **Training Workshops 'Capacity Building for Arsenic Mitigation (CBAM)**' **Nawal Parasi, Nepal,** From- 12th to 21st January, 2012 Funded by- **JICA,** Implementing by- **Kyushu University, Japan** and **ENPHO, Nepal.**

Professional Membership:

- Life Member of Bangladesh Medical Association (BMA)
- Life Member of Bogra Diabetic Association
- Vice president, Public Health association of Bangladesh (PHAB)

Personal details:

Name	:	**Sk. Akhtar Ahmad**
Father's Name	:	Azhar Uddin Ahmad
Mother's Name	:	Saleha Khatun
Date of Birth	:	09 April, 1953
Nationality	:	Bangladeshi
Religion	:	Islam
Marital Status	:	Married
Name of Spouse	:	Nazneen Begum
Children	:	02 (Son)
Present Address & Correspondence Address	:	House No. C 51, Rd No. 6 Niketon Mohakhali, Dhaka -1212, Bangladesh Tel: (8802) 9849122, Cell: +8801552465730, E-mail: anon@bdcom.com
Permanent Address	:	J-27, Seroil, Boalia, Rajshahi, Bangladesh
